IT'S THAT TIME AGAIN! CITY ELECTION MAY 14TH!

MAKE SURE YOU ARE REGISTERED SO YOUR VOICE CAN BE HEARD - MAKE A STATEMENT! - MAKE A CHANGE!!!!!!

As we all know from experience, we can make a difference by voting. In the November Bond Election, we made it clear, that the citizens of Wilmer could not live with a tax increase for an 18 million dollar bond. As most have heard the citizens had a big win!!!!!! It wasn't even close by a margin of almost 2 - 1 the bond election was rejected 279 against 160 for. It was a no brainer the bond was going to benefit the developers. When the citizens were made aware of the Mayor's and Council's plans. Citizens were asking can we do, how can we help, how can we defeat it. We need to remember who approved the Mayor's agenda to have that bond election, which costs the citizens of Wilmer over \$25,000, at least. We have no accounting of the costs related to the Bond Proposal from engineering studies. The citizens stuck together and had their voices heard.

Now we are facing another opportunity to make a difference! We are starting a registration campaign. We will be kicking off our registration drive this week-end. Please find the enclosed map with directions and time to the Registration Event with FREE FOOD and DRINKS! Registering timely is the key, if you do not register, you MAY NOT VOTE, & YOU MUST BE REGISTERED BEFORE APRIL 13TH.

Why is it important that YOU VOTE?! Everyone has been affected under this administration's decisions, and the lack of this council to not control the Mayor. Be it excessive water bills, permit fees, police harassment, inspector abuse of power, or the wasting of city funds. Probably everyone or someone close to you has felt the crunch! Unless, you are a jester of the King's court! The council's job, according to LAW!, is to be the

financial officers of the City, give direction to the Mayor as to how they, the representatives of US, (the common citizens who pay the bills,) see the city ran and the appropriate conduct of the city employees towards the citizens. How many times have you been told, “There’s nothing I can do about it, you will have to talk to the MAYOR?!” This is NOT the way we believe Wilmer should be ran, as a monarchy With King Steale’s Strong Hold, Micro-managing approach. We know for a fact that he only tells the council WHAT HE wants them to know, sets the agenda, not only for the City, but also in all other committees/boards, and dictates how employees treat the community. Unfortunately we don’t see the council denying him the abuse of POWER that affects our daily lives and pocketbooks, nor have we ever witnessed one council member asking “WHERE’S THE MONEY, BOSS”! During the 2008-9 fiscal year, the first full year of this council’s term, per the city’s audit, they spent the city into a deficit of almost \$106,000! It is the council’s job, not the mayor, to handle the funds! They have signed an open check to spend any amount desired, as long as Steale approves it.

We must STOP the BLEEDING at CITY HALL. THE PEOPLE, YOU, CAN STOP THE HEMORRHAGING, SO THAT WE CAN SEE SOMETHING GOOD FOR OUR CITY, BESIDES A DANCING CHRISTMAS TREE ON DISPLAY FOR A FEW WEEKS AT THE TUNE OF OVER \$8000! How much fun was that? Steale commented, just before the excessive water bills came in the mail Dec.1st, “So the people can be HAPPY PAYING THEIR WATER BILLS!” We do not believe many people are happy now, nor then with the way the City continues to steal our money!

THIS IS WHAT WE ARE ASKING YOU TO DO AND WE HAVE SEEN THE RESULTS FROM THE NOV. BOND ELECTION. REGISTER AND BE PREPARED TO VOTE, ALLOWING YOUR VOICE TO BE HEARD! COME OUT AND VOTE! YOU CAN VOTE EARLY OR ON MAY 14TH, JUST VOTE! IT WILL BE THE MOST IMPORTANT THING YOU CAN DO FOR YOUR CITY AND YOURSELVES AS CITIZENS. WE MUST HAVE A NEW COUNCIL THAT WILL HOLD THIS MAYOR ACCOUNTABLE, AND SPEND OUR MONEY TO BETTER THE COMMUNITY AND OUR FUTURE.

We realize this has created an undue hardship and forced tuff decisions, including choices about medication verses utilities. This election will allow you the opportunity to have your voice heard about these hardships. You can make your needs heard load and clear without the pain of going to city hall with your problems and standing the possibility of being threaten with having the police called on you, being told not to come back to the mayor's house, or in some reported cases being escorted out. Is this the action described that "kindness to your neighbor is wisdom"?

If you would like to vote by mail, because give us a call. Take Action for You City has volunteers for your assistance.
